

Normandy Park Community Club Board Meeting Minutes SUMMARY

- Annual **Election of Officers**, results as follows:
 - **President:** Neil Ball
 - **Vice President:** Andrea Prasse
 - **Treasurer:** Chris MacRae
 - **Secretary:** Jamie Kroeger
- **First Annual Polar Bear Plunge** was a huge success! Many thanks to new Board member, Julie Fry for the wonderful idea and organization efforts!
- **Cove is seeking a volunteer to collect trash and distribute bags around the property.** Feel free to organize a schedule with your friends and neighbors, but Cove needs one point person to be responsible for this duty. Thank you!
- **King Tides:** The Cove generally experiences King Tides a few times a year, basically an exceptionally high tide that brings debris well into the Cove property. We had two in January, with another scheduled for mid-February. When a King Tide occurs, the Cove would appreciate help from any Lot A owners with waders in moving the logs and debris back toward the Sound.
- **Main entrance to The Cove Building:** The bridge was found to be structurally unsafe after years of use and has been roped off. The permit has been submitted to replace the necessary beams on the bridge, but in the meantime, please use the path to the left that has been marked with string lights.
