

## Normandy Park Community Club Board Meeting Minutes SUMMARY

- **Great 4<sup>th</sup> of July Community Event** including parade and afternoon celebration at the Cove enjoyed by many! Thank you to all who participated, and especially those that volunteered to support the event to make it a success!
- **Fireworks at the Cove-** Celebrations got out of hand and unsafe including Police activity and necessary action from the Fire Department. Discussions are occurring to determine a path forward that best allows people to celebrate while still keeping the community safe. Please continue to look for information to come in the future.
- **Resident beaver has moved into the Cove-** He's cute, but destructive! He has built a dam which is causing flooding into the field. Know that we are in constant communication with the appropriate wildlife departments to learn how we can effectively accommodate the beaver while also preserving our beautiful Cove grounds.
- **Boat Ramp-** Remember the boat ramp at the Cove is only intended for high tide use. Driving on the beach not only causes damage, but also comes with a \$5,000 fine. We are all stewards of the Cove and have a responsibility to protect our incredible property – you will be reported if seen driving on the beach.
- **Upcoming pickleball tournament!** Look out for more information coming- tournament likely to be end of August or early September!
- **Eagle Scout Projects:** We now have horse shoe pits, and later in the summer will have upgraded standing BBQs at the Cove beach – THANK YOU to our Eagle Scouts & continued support from the local Boy Scout Troops!
