

## 2026 Tennis Summer Camps at The Cove

Provide your child with an exciting summer tennis experience where players build strong fundamentals, develop coordination, and grow their enjoyment of the game! This program is designed for all skill levels, offering engaging instruction for both beginners and advancing players.

This program is led by Remy Larhs, a senior on the Lakeside School varsity tennis team, which consistently competes at the state level. Each week focuses on building fundamental tennis skills through drills, personalized instruction, and games. Activities are inspired by training methods used at competitive Seattle-area clubs, including Boeing Employees Tennis Club (BETC) and TCSP, along with experience from training at the Rafa Nadal Academy, and are tailored to each player's level. Players will work on footwork, grips, all major strokes, coordination, and basic strategy. The program runs over five weeks, with specific dates listed below. Families are welcome to register for one or more weeks, depending on their schedule.
